

SECURITY PLANNING & PREPAREDNESS FOR CHURCHES

CHURCHES

2-Day Church Security Planning & Intruder Awareness/Response

Many churches have taken comfort in the thought that “it could never happen here.” But headlines and a steadily-growing body of statistical evidence demonstrate that violence in faith-based organizations may not be an if, but a when.

Includes Security Policy Concepts, De-Escalation and Church Lockdown Training

Equip your pastoral, operations and lay leadership personnel to create a personalized security plan that protects your congregation while maintaining a welcoming environment. Equip and empower your front-line team (children and student ministry teams, security teams, ushers, greeters and parking personnel) to spot and stop trouble before it starts. This training helps team members identify suspicious behavior and act peacefully and proactively with the goal of de-escalating potential conflicts.
