

Strategos Peacekeepers

Armed Church Security Team Member Training

Strategos Peacekeepers is proud to offer the Armed Church Security Team Member Training program, designed to equip individuals with the skills and knowledge necessary to serve as effective members of church security teams. This comprehensive training program consists of three stages, each focusing on different aspects of armed security and emergency response within a church setting.

STAGE Introduction and Fundamentals of Firearms & Basic Church Security Team Training

1

In Stage 1, participants will receive an introduction to firearms fundamentals and basic church security team training. Topics covered include firearm safety, marksmanship principles, weapon handling techniques, and legal considerations for armed security in a church environment. Participants will also learn about the role and responsibilities of church security team members, including threat assessment, communication strategies, and teamwork.

STAGE Movement Tactics and Low Light Tactics Training

2

Stage 2 focuses on movement tactics and low light tactics training. Participants will learn advanced techniques for navigating and securing church facilities during dynamic situations, including room clearing, hallway movement, and perimeter defense. Additionally, participants will receive training in low light environments, including the use of flashlights and/or weapon-mounted lights to enhance situational awareness and response capabilities.

STAGE Less Lethal, Medical, and Decision-Making Training

3

In Stage 3 of the training program, participants will explore less lethal options, medical response procedures, and decision-making skills essential for effective crisis management in a church setting. Topics covered include the use of less lethal tools and techniques, such as pepper spray and tasers, for de-escalation and non-lethal force application. Participants will also receive training in basic medical interventions, including bleeding control and casualty assessment, to provide immediate aid during emergencies. Additionally, this stage will focus on decision-making strategies and ethical considerations for church security team members in high-stress situations.

Certification:

Upon successful completion of all 3 stages, participants will receive a certification as a Strategos Peacekeepers Armed Church Security Team Member, valid for 2 years.
